

Welcome Aboard

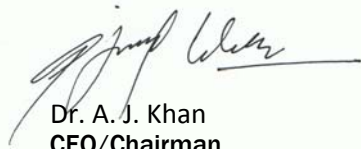

April 23, 2013

It is our distinct pleasure to welcome Dr. Khalid M.A. Sheikh as Corporate Oncologist. Dr. Sheikh brings to Vitalee a wealth of 40 years in clinical and experimental research in Radiation Oncology specializing in cancer, diabetes, hypertension, high cholesterol, pulmonary disease and sexual dysfunction in both men and women. Dr. Sheikh is chartered to evaluate antigen markers of patients including regimen review, recommendation and follow ups test reports.

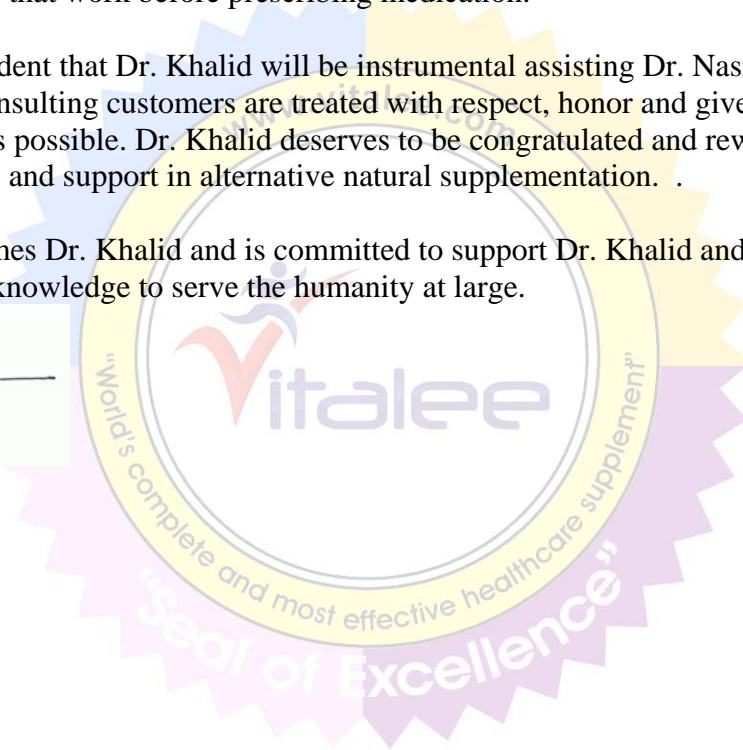

Dr. Khalid believes that "the best form of medicine is preventative medicine" and those physicians should be role models to their patients with the implementation whenever possible of natural supplements that work before prescribing medication.

Vitalee Inc. is confident that Dr. Khalid will be instrumental assisting Dr. Nasir Randhawa and making sure that consulting customers are treated with respect, honor and given answers to their queries as timely as possible. Dr. Khalid deserves to be congratulated and rewarded for his community services and support in alternative natural supplementation. .

Vitalee staff welcomes Dr. Khalid and is committed to support Dr. Khalid and will capitalize on his experience and knowledge to serve the humanity at large.
